

MANIGLIONI INOX

HANDLES STAINLESS STEEL

TURDRUCKER EDELSTHL

TIRADORES ACERO

Sono prodotti realizzati completamente in acciaio inox che si propongono al mercato con un ottimo rapporto qualità/prezzo. Le due versioni 5H01 e 5H03 sono in acciaio pieno, mentre le 5H11 e 5H15 sono tubolari. La gamma di maniglioni, con le sue lunghezze ed interassi differenziate, copre una vasta fascia di applicazioni. Le finiture per tutti i modelli sono inox satinato [31] e lucido [32].

Estos artículos están productos en acero; buena es la relación precio - calidad. Los modelos 5H01 y 5H03, están hechos en acero "macizo" cuando las 5H11 y 5H15, están en "sección tubular". La gama de manillones con tamaños diferentes así como los enterejes, satisficé un segmento ancho de aplicaciones. Los acabados de estos manillones, son acero satinado [31] y acero brillo [32].

They are products completely made in stainless steel and they propose themselves to the market with a very good relationship quality/price. The two versions 5H01 and 5H03 are made in solid stainless steel, whereas 5H11 and 5H15 are hollow. The range of handles, with their different lengths and centre distances, covers a great group of applications. The finishes for all models are satin stainless steel [31] and polished stainless steel [32].

Es sind Produkte ganz aus Edelstahl und sie nehmen sich auf den Markt mit einem sehr guten Verhältnis Qualität/Preis vor. Die zwei Versionen 5H01 und 5H03 sind aus vollem Edelstahl, wobei die Versionen 5H11 und 5H15 sind leer. Die Türdrückerauswahl deckt ein großes Anwendungsband mit ihren verschiedenen Längen und Achsenabständen. Die Oberflächen sind satiniertes Edelstahl [31] und Glanzedelstahl [32] für alle Modelle.
